Subject: Area 40 Radiological Investigation Summary
Attachments: RAD Timeline.docx

Hi Peter – Per your request, attached is a timeline of events for the Area 40 radiological investigation. This timeline includes dates of document submittals related to the radiological investigation and dates of e-mail comments and concurrence. I believe this provides thorough documentation that we had Agency input and approvals throughout the process. If you would like any of the documents listed in this timeline, please let me know and I will be happy to send over.

Chris
